

TIGER

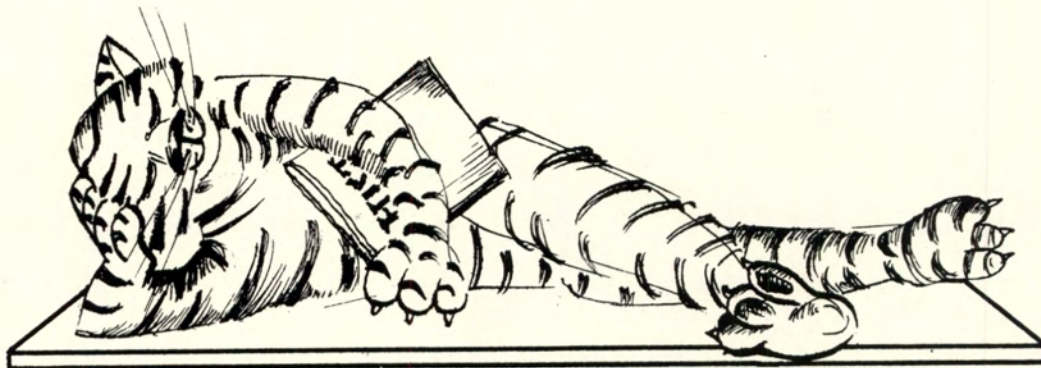

The Tiger

1964

Foreword

Into my heart's treasury
I slipped a coin
That time cannot take
Nor a thief purloin -
Oh, better than the minting
Of a gold-crowned king
Is the safe-kept memory
Of a lovely thing.

We, the Senior Class of 1964, dedicate our Annual, THE TIGER, to our teacher and friend, Mr. Larry Carpenter.

He has given us knowledge in the classroom, shown great understanding and patience at all times, counseled us when we were in need and given of his time and energy unselfishly.

It is with deep humility and honor that we dedicate this yearbook to a truly dedicated teacher, Mr. Larry Carpenter.

Though our high school
days are gone at last

We take a long last
look at the past

Joys and sorrows fill
our hearts

As we think of friends
from whom we'll part

Memories crowd into
our minds

And make the years
seem so sublime

But now it's time for
us to go

Down life's pathways
and then we'll know

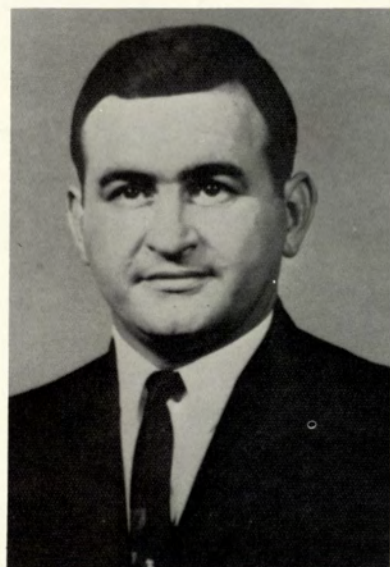

High school isn't just
a waste of time

It's affected his life,
yours and mine

Initiation

G

An appropriate date, Friday the 13th, was the fatal day in September for the green Freshmen of SHS. At this time, the notoriously terrible Seniors swooped down on the lowly Freshmen and the inevitable occurred - initiation.

Though outlandish dress was not in order during the day, it was quite a sight to see gaudy green noses on a background of flushed faces of "tortured" Freshmen.

At 6:30 the Freshmen gathered at the gymnasium dressed in full fashion for a masquerade party with an array of accessories ranging from baby bottles to Christmas ribbons and necklaces of onion and garlic.

True to the Freshmen's worst fears, Friday night was the time of agony and ridicule. Limberger cheese, eggs and blood pudding appeared on the scene and before the evening was over, every Freshman had his fill of the "goodies."

Immediately after the initiation "ceremony" a dance was held in the gym. Though the Freshmen had rejoined the ranks of humanity they still were discriminated by a slightly noticeable odor.

First Year in New League

The Tiger's 1963 football season ended 3-4, in the newly formed MaNe league. Competition was stiff in the new league, and the Tigers put out a large amount of effort, both on the practice field and in competition.

Three seniors, David Alvis, Howard Dunn, and Jim Duryea, saw the last of action this year, and the others on the squad hope the knowledge acquired this year will help them show prowess as a football club in years to come.

Mission Accomplished!!

Track

The Beginning - The start of a race in which each of the participants gives his all - to the honor of his coach, his school, and himself.

Next, a relay, in which the seconds taken in the handoff might mean victory or defeat.

Victory - Being first to break a ribbon means so much, not only to the winner of that particular race, but also to the other members of the squad and to the coach.

The end of a race - the only feeling being fatigue. Whether winning or losing, it's always there to greet the runner at the end of his "road."

The Seniors of 1964 were the honored guests of the Junior class on the evening of May 9 at 6:45 P. M. At this time a banquet in honor of the seniors was held and a dance followed at 9 o'clock in the evening.

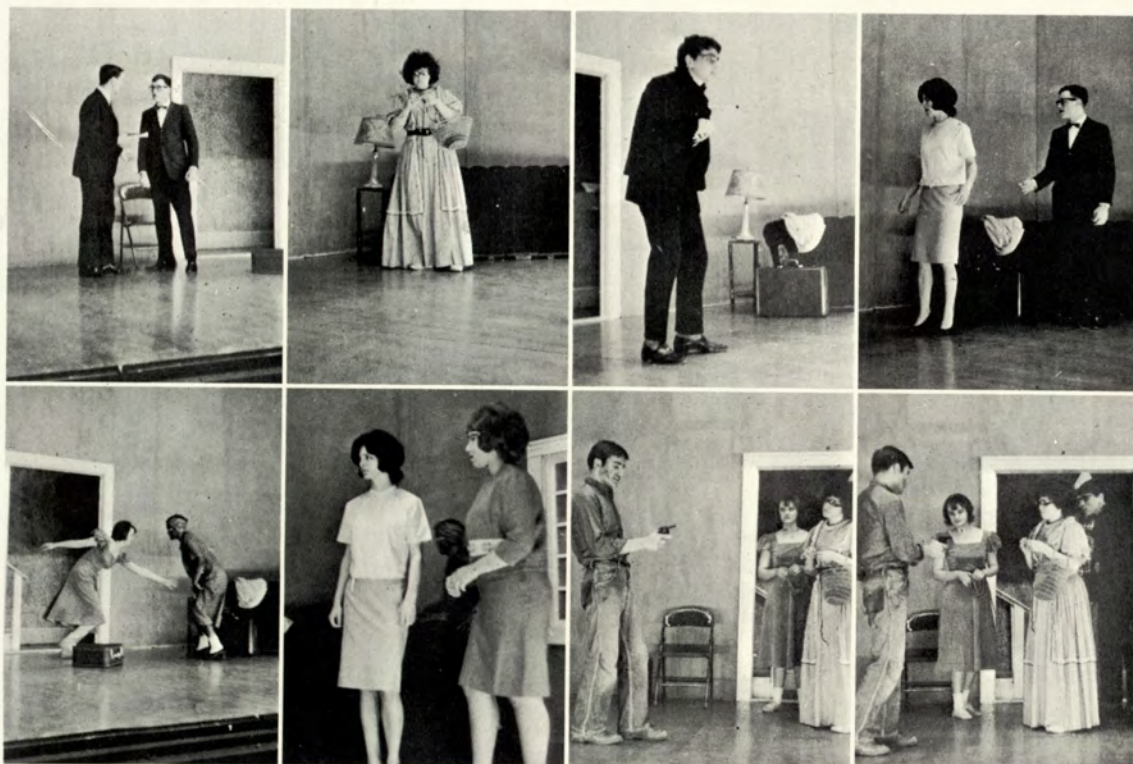

The theme "Candyland" was carried out in the decoration of the gymnasium. Multicolored crepe paper hung from ceiling to floor made the walls of "Candyland" and a miniature stage boasted a huge clock signifying "Sugar Time." The Good Ship Lollipop served as a centerpiece and a Sugar Shack stood in one corner. Both decorations also served as centers for picture taking.

Candycanes and Lollipops were scattered and many were taken home for souvenirs.

Entertainment and dance music were furnished by the PJ's, a girls trio, and the dance band of Falls City, Nebraska High School.

The seniors wish to thank the Junior Class again for the lovely evening.
